How to Preview the YAE Course as a NAUI Member

This guide provides a straightforward process for NAUI members to preview courses, making it easier to explore educational opportunities and find relevant training. It streamlines navigation through the NAUI platform, ensuring members can efficiently access and activate preview eLearning courses. By following these steps, members can enhance their skills and knowledge without any financial commitment, fostering personal and professional growth in diving.

- 1. Navigate and login to https://core.naui.org/index.
- 2. Within the Menu on the left, click "Authorized Courses."

3. Select the "Available Course" Tab.
